

Joe Cocker: *Up Where We Belong*

Up where we, up where we belong

Who knows what tomorrow brings,
In a world few hearts survive,
All I know is the way I feel,
When it's real, I keep it alive

The road is long
There are mountains, mountains in our way
But we climb a step, every day

Love lift us up, up where we belong
Where the eagles cry,
On a mountain, high
Love lift us up, up where we belong
Far from the world we know,
Up where the clear winds blow, up where we belong.

Some, oh they hang on to used to be,
Live their lives, looking behind.
All we have is, here and now, here and now,
All our lives, out there to find

The road is long
There are mountains, mountains in our way
But we climb a step every day

Love lift us up where we belong, ... etc

Lift us up, love lift us up, Lift us up where we belong..
Love lift us up, love lift us up, Lift us up where we belong..
Love lift us up, up where we, lift us up, up where we, up where we belong
Love lift us up, up where we, lift us up, up where we, up where we belong
Love lift us up. Up where we be-long. Be-long
